Holiday Edition Newsletter 2025

President's Message...

Happy Holidays, Merry Christmas and Happy New Year!! It's OUR New Year at OCC as we usher in the 2026 golf season and we're excited to be starting this fiscal year with several new and returning Board members. We've already had two meetings since our annual meeting and each Board member is poised to jump into areas of interest and expertise. With five new Board members - three having committed to serve our club for the first time - you can find a brief introduction in this newsletter. Everyone on the Board has readily stepped up to assist with the work, planning and positive, strategic direction of our Club.

Our creative superintendent, Matt, and his skilled and eager team have transformed parts of our fairways into ski and snowshoe trails for those eager winter weather enthusiasts. Other stalwart golf-a-holics are praying for warmer conditions to slog a few balls on greener fairways. Regardless of your mindset, come find yourself in the clubhouse for a taste of comfort food, informal chats and conversation with a refreshing spirit or two.

Our plans in the off season will endeavor in a variety of areas starting with the care for the golf course, even under a blanket of snow. Tree cutting, stump grinding and limb pruning are all on the work list as well as caring for equipment and painting our tee markers and on course accoutrements. This time of year is Neal's 'inside time' to refurbish mower decks and course equipment readying all to be back on the course in a few short months.

Golf Professional, *Hoagie*, has been diligent in working with the NYS-PGA to attract prospects for the assistant professional in the Proshop. Having that position will be a true help for Michael, but will also benefit our golf club needs from shop assistance, teaching and learning, youth golf, tournaments and leagues - positive steps to come with updates throughout the next several months.

This past year we lost several dear friends, long-time golf partners and familiar acquaintances. Our Wednesday men's twilight league (WTL) came together in a special and unique way for Rich Godden. He battled cancer like no other and inspired many of us throughout his fearless fight. He so enjoyed being at the Club whether to golf, socialize, or provide leadership on the course or boardroom.

The WTL made a meaningful donation in Rich's honor and memory, allowing the club to purchase two video displays - one for primary use in the boardroom, with the other in the dining/century room - each facilitating meetings, presentations, enhancing sporting events and viewing static displays. These monitors will serve to improve our experiences at OCC. Special thanks to Dave Johnson and long time playing partner, Jack Pryor!

As a member who grew up at Oswego Country Club and joined as a family nearly thirty years ago, I'm honored and humbled to serve as president of this great golf course and country club - I look forward to hearing from you throughout the year.

Let's keep in touch! I welcome your thoughts and comments to improve what we love and enjoy - the Oswego Country Club. <wmcrist@yahoo.com> or (315) 591-4172.

Membership...

We currently have 334 total golfing memberships as of our December Board meeting, which is extremely strong for this time of year. Remember, we have a golfing membership cap of 335 in order to maintain adequate tee time & course availability. If you know of anyone that is thinking about joining the club, now is the time to have them get their application in – once the weather turns, we could end up with a lengthy waiting list.

The consistent high membership numbers this past year shows just how great of a course and club we have. Matt and his team have done an amazing job continuing to improve the course consistent with master plan, with more improvements coming in the future. These steps have and will continue to drive demand for OCC membership.

I hope everyone enjoys their holiday season and can't wait to be back out on the course in the spring!

Golf Committee...

I'm sure many of you are already looking forward to next golf season as we take this winter weather on the chin. To our snowbirds, we envy you as you continue to play golf through the winter. Thank you to PK and Mr. Lane for their hard work on the golf calendar, which was approved at our last Board meeting and attached in this newsletter as well as posted on our club website. We would like to emphasize the importance of having a dedicated chairperson for each tournament on our schedule. Tournament chairpersons are essential to the success of our events, serving as the primary point of contact and helping with planning, organization, and communication so that each tournament runs smoothly. Please consider volunteering (even with a partner) for one of these roles next season, as your involvement will help ensure another outstanding year of golf at OCC.

Thank you for the feedback regarding scorecards at the end of last season. The combined tees have been a nice addition to the way our members can experience the course. Some feedback requested small changes to the selection of the combined tees. If you feel passionate about this, I invite you to attend the next golf committee meeting as we look to finalize the scorecard to be sent to print. Please email me at zfarden@gmail.com if interested. Thanks and enjoy the holidays!

The 2026 OCC Golf Calendar has been approved by the Board!! It has been posted to the website. Not too many changes of note. We had to move the all important “Volunteer Cleanup Day” to the last Saturday in March due to Easter being celebrated on the first weekend of April.

I will be transitioning to chair the Green Committee in the near future. I look forward to working closely with Matt, Neil and the rest of the guys. Please contact me if you’d like to be a part of this very important committee. Zack Farden will be taking over the Golf Committee.

Hope everyone has a happy and healthy holiday season.

Green Committee Chair

Social...

Hello Oswego Country Club Members! My name is Heather Vashaw, and I’m honored to serve as Co-Chair of the Social Committee this year. I truly enjoy bringing people together and creating experiences that are welcoming, engaging, and fun. I strongly believe the best events happen when we work collaboratively—with other committees and with our members—to ensure activities reflect what *you* want and enjoy. Member involvement is key to making these events successful, and I’m excited to help create opportunities that encourage connection and participation across the Club. I look forward to a great year ahead and hope to see you at many of our events!

The Course...

While coming up on the new year it's important to take time to both reflect on our hardships and successes over the past years, as well as begin planning for the upcoming season. Just having left a GCSA holiday event there was an ongoing theme amongst greenskeepers. That we had just had one of the most stressful seasons in our collective memories. Employee troubles, inflation, supply issues, a lack of communication with members, and weather conditions were the main culprits for a frustrating long season for many superintendents. While I agree that the weather did not make things easy, I couldn't help but feel that I didn't share many of their sentiments. I feel lucky to have a solid, hardworking crew of dedicated employees that I can count on to complete any task that is needed. A board that is willing to give the support that we need to keep our course in the best shape possible, and many members who are willing to volunteer their time to help the course succeed.

I hope that everyone has a pleasant holiday season and can take the time to spend with family and friends. We look forward to seeing you all in the new year. Happy Holidays

Golf Course Superintendent

Facilities...

I thought we would have a beautiful white Golf Course for Christmas, but those dreams were dashed by our recent thaw. I can still be wrong since I'm writing this on the 19th, there's always hope. But yes, winter is upon us and most importantly the Holiday Season.

Though we're not out golfing, there are still plenty of activities going on at OCC. Matt and Neal are busy everyday working to get the course ready for April 1st, Marilyn and Jen are busy in the office as usual, Tammy and her staff are putting on some great Holiday Banquets and her weekly Comfort Food Specials, the various Board committees are meeting to plan out next seasons events, the Social committee has some great activities planned for the off season, and I'm keeping busy doing whatever I do.

For the Holidays I encourage members to stop by the club and see the Christmas decorations, have a beverage or watch the birds and wildlife in their winter wonderland.

Wishing everyone here at OCC a wonderful and blessed Christmas and Holiday Season. Be safe and always be kind.

Thank You,
Mark G. Brunschweiler
