Oswego Country Club 2026

Welcome to the Oswego Country Club (OCC), an incorporated, member-owned, non-profit organization. OCC is among the nation's oldest golf clubs, having been established in 1897.

The original golf course was located near Lake Ontario (in the area known locally as "the Loop") just west of the current location of the Oswego State University campus. The Club's present location (purchased from the Murray family) was previously known as the Murray & Littlefield farms. The first course at this location consisted of six holes with the clubhouse located near the pond of today's 4th hole. A smaller version of the present-day clubhouse opened in 1903. In 1915 the world-renowned golf course architect, A. W. Tillinghast redesigned the current front nine. A second nine holes, designed by Geoffrey Cornish, was completed in 1978.

In 1994 the membership approved the first major expansion/renovation of the current clubhouse. This project included substantial system upgrades as well as an addition, which included a new entrance, rest rooms and a large "grill room". This area was dedicated on May 7, 1995.

On March 5, 2017, the membership approved an enhancement and renovation project that has seen updates and enhancements to the dining room, outdoor patio area, main clubhouse rest rooms, the men's and women's locker rooms, the swimming pool area and changing rooms, the cart barn and maintenance building.

The mission of the Oswego Country club is to maintain a position as one of Central New York's finest private golf clubs. In order to accomplish this, the Club is committed to maintain and continually improve the course and club facilities while being responsive to membership needs and maintaining an affordable dues structure.

OSWEGO COUNTRY CLUB CONSTITUTION

ARTICLE I NAME

The name of the organization shall be the Oswego Country Club, hereinafter called the Club.

ARTICLE II OBJECTS, PURPOSE AND SEAL

Section 2.01. The objects and purposes of the Club are to encourage the playing of golf and other games and sports, and to provide and maintain a place for social functions, and for that purpose to purchase, lease, hold, own, improve and dispose of such real and personal property as may be necessary or desirable to carry out the objects aforesaid.

Section 2.02. The seal of the Club shall be in the form of two concentric circles, between their circumferences, the name of the Club, “OSWEGO COUNTRY CLUB”, and the word “SEAL”.

ARTICLE III CLUB MANAGEMENT and BY-LAWS

Section 3.01. Club Management. The management of the Club shall be vested in the Board of Directors, hereinafter called the Board. The Board may, at its discretion, delegate certain management responsibilities and duties to individual Directors, officers and/or designated employees of the Club or its agents.

Section 3.02. By-Laws. The Club shall have a set of by-laws established by the Board which contains, among other things, the policies of the Board, financial and operational guidelines, etc. These by-laws may be amended or rescinded at any time at a duly notified Board meeting by a two-thirds majority of voting Board members present and shall be made available to the membership of the Club.

ARTICLE IV BOARD of DIRECTORS and OFFICERS

Section 4.01. Composition of the Board. The Board of Directors (Board) shall consist of twelve (12) voting members: nine (9) Directors plus a President, First Vice-President and Second Vice-President; and two (2) non-voting members: a Recording Secretary and Treasurer. Only members holding Primary or Full (Family) “golfing” memberships shall be eligible to hold an Officer’s or Director’s position. Members are subject to the term limits defined in Section 4.02 below, and no member may hold more than one (1) office at the same time. In addition, only one adult per “family” membership may be considered eligible at any given time. Dependent children are not eligible to hold office.

Section 4.02. Election and Term.

A. Directors’ Terms & Limits. Directors shall be elected to serve three (3) year terms unless elected or appointed to serve for a lesser period of time to complete an unexpired term. The three (3) year terms shall be staggered such that three (3) Directors' terms expire each year. Directors completing a term shall be allowed to run for re-election as a Director.

B. Election of Directors. At the annual membership meeting, the membership shall elect Directors to fill the expiring terms and any vacancies which may exist in unexpired terms from an established list of candidates. The list of candidates shall include those proposed by the Nominating Committee as well as other eligible nominees properly proposed at the annual membership meeting (see below). The

expiring terms shall be filled by the three (3) candidates receiving the most votes. All vacancies in unexpired terms which are known at the time of the first ballot, shall be filled by the candidate(s) next on the tally-list, with the longest remaining term being filled first. Any vacancies occurring during the annual meeting, but after the election, shall be filled through a separate ballot, with additional properly proposed nominees being accepted as needed.

For a nominee who was not included on the Nominating Committee's list of candidates to be included on the ballot for election to a Director's seat, the individual must be eligible per Sections 4.01 and 4.02 of this Article and either:

- be present and accept the nomination, or
- submit a written notice in advance of the Annual Meeting to the OCC President, Recording Secretary or Nominating Committee chair which acknowledges their willingness to accept a nomination.

C. Officers. The President, First Vice-President, Second Vice-President, Recording Secretary and Treasurer shall be elected to serve terms of one (1) year each. These officers shall be elected by the Board at a special meeting convened during a recess of the annual meeting after new Directors are elected. The Nominating Committee shall present a proposed slate of Officers for the Directors' consideration. In addition to the proposed slate, nominees may be accepted from the Board. For a nominee who was not included on the Nominating Committee's slate to be included on the ballot for election to an Officer's position, the individual must be eligible per Sections 4.01 and 4.02 of this Article and either:

- be present and accept the nomination, or
- submit a written notice in advance of the Annual Meeting to the OCC President, Recording Secretary or Nominating Committee chair which acknowledges their willingness to accept a nomination.

Section 4.03. Vacancies.

A. Directors. Director vacancies which occur between annual membership meetings shall be filled by a vote of the remaining voting Board members. A Director so elected shall serve until the next annual membership meeting, at which time the members in attendance shall elect a Director to fill the remainder of the unexpired term, if any.

Director vacancies occurring at the annual meeting, whether due to resignation or election to another office, shall be filled by a vote of the membership in attendance. Any Director elected to fill an unexpired term, whether by the Board or the membership, shall, at the end of said term, be eligible to seek election to a full three (3) year term.

B. Officers. Vacancies which occur for any reason in the offices of President, First or Second Vice-President, Recording Secretary or Treasurer shall be filled by a majority vote of the voting Board members present at the next ensuing meeting following the occurrence of the vacancy.

Section 4.04. Meetings. The Board shall meet and organize during a recess of the annual meeting and those voting Board members present shall elect a President, First Vice-President, Second Vice-President, Recording Secretary and Treasurer for the upcoming year. Those members so elected shall assume office at the conclusion of the election and shall serve until replaced within the parameters of this Constitution.

The Board shall meet at times and places specified by the President. Every attempt should be made to hold regular Board meetings at least once per month.

Due to the limited number of regular Board meetings in a year, Directors' and Officers' meeting attendance is critical. Any Director or Officer who is absent from three (3) consecutive regular monthly meetings or misses a total of six (6) regular meetings within the same fiscal year shall be removed from office and replaced per the procedure listed in Section 4.03 of this Article. Obviously, the Board shall be allowed discretion in enforcement of this Section in the event of medical situations and/or work related matters.

With advance notice (the criteria for which to be established by the Board) a Director or Officer may participate in a regular or special Board meeting by means of conference telephone or other means of remote communication by which all persons participating in the meeting can communicate with each other. Participation in this manner shall allow for voice and vote on any and all matters properly brought before the Board and shall count as attendance for the purpose of the attendance requirements of this section. However, remote participants shall not be counted for the purpose of establishing a quorum. In addition, the presiding officer and recorder must be present in person. Officers and Directors shall be limited to two remote participations per fiscal year.

On written request of three members of the Board, the President must call a special meeting of the Board for the time specified in such request which may not be sooner than five (5) days after the filing of said request with the Secretary.

Seven (7) members present shall constitute a quorum for the transaction of business at any regular or special Board meeting but a smaller number may adjourn the meeting to another day.

Section 4.05. Eligibility. Any voting member of the Club in good standing shall be eligible for election or appointment as a Director or officer, subject to the membership privileges detailed in Article VIII and the succession limitations listed in Section 4.02 of this Article.

Section 4.06. Removal From Office. When it is believed that the actions and/or conduct of any Director or Officer are grossly inappropriate or contrary to the best interest of the membership and/or the objects and purposes of the Club, they may be removed from office. Such removal shall require a two-thirds majority vote of the entire voting membership of the Board and must also include a consenting vote from the highest ranking officer not being considered for removal.

In addition, Directors and Officers shall resign or be removed if they fail to maintain a membership classification which allows for the holding of office. Removal for excessive meeting absences is addressed in Section 4.04 above.

ARTICLE V

Section 5.04. Treasurer. The Treasurer shall collect all monies due the Club from any source and deposit same in the name of the Club in a bank or trust company approved by the Board. He/she shall keep the accounts of the Club and submit monthly statements to the Board showing the financial status of the Club. In addition, the Treasurer shall assist the Budget Committee with the preparation of the annual budget. His/her accounts shall be subject to an annual review by an Audit Committee of no less than three (3) Club members. The Treasurer shall assist said Committee as needed.

The Board shall have the authority to make and enforce all rules and regulations pertaining to the use of the Club's facilities and grounds by members and/or guests. They shall have full control of the affairs, funds and property of the Club, with the exception of disposal of property or capital expenditures in excess of thirty-five thousand dollars (\$55,000.00), which require the approval by a majority of the voting members present at an annual or special membership meeting.

At the discretion of the President, and with a simple majority approval by the Board, if a special membership meeting is to be held to approve capital expenditures in excess of \$55,000.00, the use of absentee ballots may be allowed. Procedures governing the use of absentee ballots shall be established and defined in the By-Laws as determined by the Board.

Section 6.02. By-Laws. The Board shall develop and maintain a set of by-laws which contains, among other things, the policies of the Board. Section 6.03. Election of Officers and Filling Vacancies. The Board shall elect the officers of the Club and fill any officer and/or Director vacancies as specified in Article IV of this Constitution.

Section 6.04. Membership Limits, Admission, Conversion, Leaves, Resignation and Expulsion. The number of members allowed in each membership class, as well as total membership numbers, shall be regulated and limited, as needed, by the Board.

The Board shall determine the form to be used for the membership application process. This application form shall include the required components from Article VIII, Section 8.02 of this Constitution. Membership applications shall be reviewed by the Board and approved or denied by a simple majority of the voting members of the Board in attendance. Written notification of the results shall be delivered or mailed to the applicant.

Based on established criteria, the Board shall review and approve or deny requests for: change in membership class; leave or return from leave of absence; and resignation. They shall also determine the forms to be used for and the amounts of any fees associated with these processes.

At a duly notified meeting, the Board shall have the power by a vote of two-thirds of its voting members to revoke the membership of any member who shall, in their opinion, be detrimental to the Club. However, no membership shall be revoked without the member first having been given the opportunity for a hearing before the Board.

Section 6.05. Assessments. The Board shall be empowered to levy a pro-rata assessment on each member, not to exceed an amount equal to one-half of the member's annual dues during any one year. Such assessment shall be used solely for the purpose of defraying any deficit occurring during the year in operating expenses only. Further, it shall require a duly notified meeting and a two-thirds majority vote of the voting Board members to levy any such assessment.

Oswego Country Club By-Laws

ARTICLE I PURPOSE and PROCEDURE

Section 1.01. Purpose. The By-Laws of Oswego Country Club (hereinafter the Club) have been implemented to codify the Constitution of the Club and, in conjunction with the Constitution, to serve as an aid in the orderly operation of the Club.

Section 1.02. Adoption, Amendment and/or Rescission. The Board of Directors (hereinafter the Board), at a duly notified meeting, may amend or rescind existing by-laws, or adopt new by-laws. A two-thirds majority of voting members present is necessary for such action. The “House Rules”, “Golf Rules” and “Pool Rules” shall be incorporated into these By-Laws.

ARTICLE II FINANCIAL OPERATIONS

Section 2.01. Financial Obligation. Membership at Oswego Country Club shall carry with it a continuing financial obligation. Once accepted into membership, that membership shall continue from year-to-year within the same membership classification unless and until changed via the steps outlined in these By-Laws. This continuation of membership shall therefore obligate said member to any and all financial obligations associated with that membership which are duly authorized and approved by the Constitution and/or By-Laws of the Club, including but not limited to: dues, assessments and fees.

Section 2.02. Dues Billing. As soon as is reasonably possible after the adoption of the budget for the ensuing year, bills shall be sent to all existing members. New members accepted after the billing date shall be billed as soon as practicable after their acceptance.

Section 2.03. Dues Payment Options. The two payment options listed below as: Option 1 – Payment in Full and Option 2 – Split Payment, shall be available for non-corporate golfing and non-golfing memberships as defined below. In addition, qualifying non-corporate memberships with golfing privileges may utilize Option 3 – Monthly Payments. Corporate memberships must be paid in full no later than February 1 or within thirty (30) of membership acceptance whichever is later.

Option 1 – Payment in Full. Existing and new memberships effective November 1 (including reinstatements and conversions) who wish to use the “Payment in Full” option must pay the total billing for dues and fees (including house minimum) for the ensuing year PLUS all amounts, including penalties, due and owing from previous billings, on or before February 1. For non-corporate golfing members, excluding Full Time High School, Full Time College and 75 Mile Golfing, with memberships effective November 1 utilizing this option, the following incentives shall apply:

Total billing paid on or before December 1 - five (5) complimentary guest green fees
Total billing paid on or before January 1 - three (3) complimentary guest green fees

New non-corporate members, excluding Full Time High School, Full Time College and 75 Mile Golfing, with golfing privileges accepted after November 1 but before July 1 who select the “Payment in Full” option must pay the total billing for dues and fees (including house

minimum) within thirty (30) days of billing. Such members shall be entitled to five (5) complimentary green fees if full payment of dues and fees is received within ten (10) days of billing. New non-corporate members, excluding Full Time High School, Full Time College and 75 Mile Golfing with golfing privileges accepted on or after July 1 who select the “Payment in Full” option must pay the total billing for dues and fees (including house minimum) within thirty (30) days of billing. Such members shall be entitled to three (3) free greens fees if full payment of dues and fees is received with ten (10) days of billing.

Each complimentary guest fee shall be considered the equivalent of 18 holes and may be used in 9 or 18-hole increments. All complimentary greens fees must be used on or before the end of the fiscal year (October 31). Corporate memberships are not eligible for complimentary greens fees.

Option 2 – Split Payment. Existing members and new members (including reinstatements and conversions) accepted prior to January 1 who wish to use the “Split Payment” option must pay one-half of the total billing for dues and fees (including house minimum) for the ensuing year PLUS all amounts, including penalties, due and owing from previous and current billings, on or before February 1. For members accepted on or after January 1 but before March 1 (including reinstatements and conversions), this amount shall be due on or before the thirtieth day following the billing date. Payment of the total remaining billing balance of dues and fees for existing members or those accepted prior to March 1 shall be due on or before April 1.

The “Split Payment” option is not available to any corporate members nor to new members, reinstatements or conversions approved on or after March 1. Unless Option 3 is selected, total billing for these members shall be due on or before the thirtieth day following the billing date.

Option 3 – Monthly Payments. Non-corporate golfing memberships effective November 1 (including reinstatements and conversions) who qualify will be allowed the option of having the dues and fees portion of their billing for the ensuing year (including house minimum) spread over equal, automatically withdrawn monthly payments under the following conditions:

- 1) Members must enroll for this option no later than the date selected and published by the Board.
- 2) Members must sign any and all required documents to allow for an automatic withdrawal system to be utilized for monthly payments. This system will be administered by a single banking institution selected and approved by the Board. Monthly payments through other methods will not be allowed.
- 3) A monthly service fee will be charged in an amount to be determined and published annually by the Board.
- 4) The applicable dues and fees amount will be payable over twelve (12) equal monthly payments through the selected automatic withdrawal system. All amounts, including penalties, due and owing from the previous year’s billings, are due in full and payable to Oswego Country Club via normal payment methods and will not be automatically withdrawn. These amounts shall be subject to the service charges outlined in Section 2.07 below. Failure to pay these overdue amounts in full, including penalties and service charges, by April 1 will constitute cause for Board action, up to and including suspension and/or revocation of membership.

- 5) All indebtedness incurred during the billing year, including penalties, shall be billed utilizing the normal billing method and shall be due in full and payable to Oswego Country Club via normal payment methods. These charges shall not be automatically withdrawn and shall be subject to the service charges outlined in Section 2.07 below.
- 6) The automatic deduction will be made on or about the third banking day of each month, beginning in November. If funds are not available to the banking institution for automatic withdrawal on that day, no other attempt will be made to resubmit funds through the bank. The member must remit a separate check reflecting the exact amount of the payment and an NSF (non-sufficient funds) fee (determined by the bank) will be charged to the member's regular (0) account. *(Late fees assessed by the banking institution are not regulated by OCC and shall be due and owing the bank).* This payment will be considered due and owing by the last day of the month in question. Should this payment not be made by the end of the month in question the member shall stand suspended and will be assessed a fifty dollar (\$50) OCC penalty.

Any member whose funds are unavailable or insufficient a second month (whether in succession or not) shall stand suspended and the full remaining balance of annual dues and fees shall become due and owing. Payment in full (including penalties and fees) prior to the membership revocation deadline will automatically reinstate the member to good standing. Any member whose funds are unavailable or insufficient a second month within the same billing year shall not be eligible to utilize the monthly payment option for the following billing year.

- 7) Any member who is utilizing the monthly payment option may terminate that arrangement at any time by filing notice with the Office Manager. Once monthly payments are terminated, the balance of the member's dues and fees are due and owing no later than the last day of the month in which the termination took place. However, should the monthly payments be terminated prior to February 1, the split payment option may be available. Any fees which may be charged by the financial institution for early termination of the monthly payment plan are the responsibility of the member.

New non-corporate members with golfing privileges effective after November 1 (including reinstatements and conversions) who wish to utilize the "Monthly Payment" option will be obligated to all conditions 1 through 7 above with the following modifications:

- Enrollment must take place at the time of acceptance. The dues and fees amount will be divided into equal payments based on the number of full months remaining in the fiscal year at the time of acceptance into membership. (i.e. A new member is accepted at the April Board meeting. There would be 6 full months remaining in the fiscal year. Therefore, the dues and fees amount would be divided into six (6) equal payments.)
- The first installment must be paid by check or cash to the Club and received and recorded by the Office Manager prior to the membership being activated. The remaining payments must be paid utilizing the automatic withdrawal method.

- Initiation fees are due and payable by check or cash with the first installment payment.

Section 2.04. Late Payment / Non-payment. For golfing members utilizing the “Payment in Full” or “Split Payment” options, there will be a late payment penalty of one-hundred dollars (\$100.00) imposed if payment of the applicable amount is not received by February 1. If the appropriate payment is not received by March 1, an additional penalty of fifty dollars (\$50.00) will be imposed. Regardless of the timing of the first payment, payment in full (including all penalties) is due no later than April 1. Should payment in full not be received by April 1, another one-hundred dollar (\$100.00) penalty shall be assessed.

For non-golfing members utilizing the “Payment in Full” or “Split Payment” options, there will be a late payment penalty of fifty dollars (\$50.00) imposed if payment of the applicable amount is not received by February 1. If the appropriate payment is not received by March 1, an additional penalty of twenty-five dollars (\$25.00) will be imposed. Should payment in full not be received by April 1, another twenty-five dollar (\$25.00) penalty shall be assessed.

Any members utilizing the “Payment in Full” or “Split Payment” option who fail to submit the appropriate payment by March 1 or payment in full by April shall stand suspended. Full payment of monies due and owing (including penalties) prior to the revocation deadline of October 31 (as defined in Section 2.05 below) shall return the member to good standing.

Members utilizing the “Monthly Payment” option, see Section 2.03, Option 3.

Section 2.05. Suspension and Revocation of Membership.

Suspension: Suspension shall terminate all privileges related to membership. Members with suspended privileges shall not be allowed to utilize the facilities of the Club at any time during the term of the suspension, including as a guest or a participant in a tournament or outing. Notification of suspension shall be sent to the members by mail as soon as practicable, and shall also state the instatement criteria. A list of suspended members shall be maintained in the Pro Shop and Club Office.

Revocation: A suspended member who does not submit full payment of monies due and owing on or before October 31 of the year in which the suspension occurred shall have their membership revoked. Revocation shall terminate membership including all privileges related to membership. Members who have had their membership revoked shall not be allowed to utilize the facilities of the Club at any time, including as a guest or a participant in a tournament or outing, for a period of time to be determined by policy of the Board.

Anyone whose membership has been revoked who wishes to return to membership must submit a complete new membership application, be accepted by the Board and pay the full amount of dues, fees and all other indebtedness from the prior year (including all accrued interest and penalties) If this application occurs more than one year after the revocation of the previous membership, outstanding dues amounts owed from the year of the revocation may be suspended or reduced at the discretion of the Board.

Section 2.06. Waiver / Reduction of Dues. Members holding the offices of President, Treasurer and Recording Secretary shall have their annual dues waived during their term of office, regardless of membership class.

Members holding the offices of 1st Vice-President and 2nd Vice-President shall have one-half of their annual dues waived during their term of office, regardless of membership class. All charges other than dues shall be billed and paid by the above officers according to the member class they hold.

Section 2.07. Other Accounts. Other than those covered by the payment options of Section 2.02, accounts payable to the Club or any agent of the Club shall be due when billed. Accounts which are paid prior to the subsequent billing shall incur no service charge. Open accounts shall be subject to a service charge of 1.5% per month thereafter.

Section 2.08. Approval of Capital Expenditure by Absentee Ballot. If a special membership meeting is to be held to approve a capital expenditure per Section 6.01 of the Constitution, the President, with concurrence from the Board, may authorize the use of absentee ballots. The President shall designate Election Judges who will be responsible to process the absentee ballots. Typically, this would include to Club's Office Manager, a Board member/officer and a non-Board member in good standing who is eligible to vote.

Members in good standing who are eligible to vote on the matter and expect they will be unable to attend the special meeting may request an absentee ballot be sent to them or picked up in person. The member request may be made via telephone, mail or e-mail. Each ballot issued to a member shall be recorded by a designated Election Judge. When an executed absentee ballot is received, a designated Election Judge shall record the member as having already voted. No member receiving an absentee ballot shall be permitted to vote in person at the election unless he/she has first returned the absentee ballot unmarked to a designated Election Judge.

The Club office will provide eligible members with a copy of the ballot, a clearly defined explanation of the scope of the requested expenditure and two envelopes. One envelope shall be smaller than the other and marked simply as an absentee ballot. The larger envelope shall be return-addressed to the Club office. Executed absentee ballots shall be enclosed in the smaller envelope, placed in the larger envelope with the name and address of the voting member and returned to the Club office. Envelopes received that do not have the member's name and address on the larger envelope will not be counted.

Upon receipt, the envelope containing the member's name and address shall be maintained unopened and secured in the Club office until the start of the special meeting, unless removal of the ballot is requested by the member. To be counted, an absentee ballot must be received by the day of such meeting up to the start of the meeting.

The secrecy of all cast ballots shall be maintained. At such time that all in-person votes have been cast, the designated Election Judges shall separate the exterior envelopes from the plain envelopes prior to any count of votes. Absentee ballots will only be counted when all outside envelopes identifying a member have been removed.

ARTICLE III **CONVERSION of MEMBERSHIPS**

Section 3.01. Any member wishing to convert their membership class must submit a written request on the appropriate form to the Club's President or Membership Committee Chairperson. These

requests will be reviewed and the member shall be notified of the decision. All changes shall become effective following approval and payment of the appropriate amounts being timely received and recorded by the Office Manager.

Membership classifications may be changed automatically by the Board when a member becomes ineligible to hold their present classification. Corporate memberships may not be converted to non-corporate classifications.

Section 3.02. Marital Status - Single to Married: Conversion of membership class due to change in marital status from single to married shall take effect on the first day of the month following the change in status. All privileges associated with the new class shall be effective immediately. The change in dues structure, if any, shall be effective at the beginning of the next fiscal year.

Section 3.03. Addition of a Domestic Partner: A domestic partner who permanently resides with a current member in good standing may be added to that existing membership.

- If the existing membership was a “Single”, a status change form shall be submitted for Board approval. The membership will be converted to the appropriate (Junior/Full) Family classification effective immediately upon approval by the Board.
- If the existing membership was a “Family”, filing of a status change form for approval is still required to provide the domestic partner’s information.

Regardless of when during the fiscal year a domestic partner membership is established, the appropriate (Junior/Full) full-season “partnership” dues amount shall be charged. Privileges of the family membership shall be effective for the domestic partner immediately upon approval by the Board and payment of any and all applicable fees.

Section 3.04. Marital Status - Married to Single: Unless resulting from a member’s death, conversion of membership class due to change in marital status from married to single shall take effect on the first day of the next fiscal year. In the event of a divorce, each spouse will be offered the opportunity to apply for their own membership, as appropriate. Membership limits and/or waiting lists shall not preclude either spouse from their appropriate membership class. In the event of a member’s divorce where only one spouse retains membership, the former spouse and children (if the membership is Single) of the member shall only be allowed use of Club facilities as a guest of a member, pursuant to the guest policy.

Section 3.05. Dissolving a Domestic Partner Relationship: Dissolution of a domestic partner relationship and appropriate membership classification change, if any, shall take effect on the first day of the next fiscal year. At that time, each of the former domestic partners will be offered the opportunity to apply for their own membership, as appropriate. Membership limits and/or waiting lists shall not preclude either partner from their appropriate membership class. In the event only one of the former partners retains membership, the former partner and any children not included in the new membership shall only be allowed use of Club facilities as a guest of a member, pursuant to the guest policy.

Section 3.06. Life Membership. Active members who believe they are eligible for a Life membership must apply, by letter, to the Board of Directors by August 1, and include all pertinent information related to their length of membership. This class of membership is not automatic. It must

be applied for and approved by the Board to be granted. It may not be awarded at any time prior to the member's 50th year of stand-alone, dues paying golf membership. There shall be a limit of twelve (12) life memberships with full facility privileges at any one time.

Section 3.07. Golfing to Non-golfing. Members converting from golfing to non-golfing memberships before May 1 shall be billed and liable for the greater of: a) the current golfing membership dues pro-rated from November 1 to the last day of the month in which the request is received; and b) the full annual membership dues for the non-golfing membership. Assessments or fees imposed on golfing memberships only shall be due and owing on a pro-rated basis. Fees or assessments charged to golfing and non-golfing membership shall be due in full. Conversion from golfing to non-golfing after May 1 does not result in any reduction or refund of dues. Regardless of when the conversion takes place, any outstanding initiation fee balance must be paid in full. House minimums are not affected by the change in membership class.

Section 3.08. Non-golfing to Golfing. Members converting from non-golfing to golfing memberships effective July 1 or later shall be billed and liable for one-half (1/2) the full annual dues, fees and assessments for the golfing membership PROVIDED they have been non-golfing members in good standing for at least fifteen (15) consecutive months immediately preceding the conversion. Any non-golfing members converting to a golfing membership who do not qualify for the one-half (1/2) dues shall be billed and liable for the full annual membership dues for the golfing membership, including assessments or fees imposed on golfing memberships regardless of when the conversion takes place. In addition to the appropriate dues associated with the new classification, a member converting from a non-golfing to a golfing membership who has not previously held a golfing membership shall be billed and liable for the appropriate initiation fee as if the member were a new applicant. The conversion is not effective until appropriate payments are received and recorded by the Office Manager.

Members converting from non-golfing to golfing memberships who had converted from golfing to non-golfing in the same fiscal year shall be assessed an additional one hundred dollar (\$100.00) non-refundable fee. This fee, along with the difference between the dues already paid and the full annual dues of the golfing membership, plus the full amount of any fees and/or assessments associated with the golfing membership not already paid, shall become due and payable immediately. All funds owed must be received in full and recorded by the Office Manager prior to reinstating the members' golfing status.

There shall be no complimentary greens fees associated with conversions of memberships after January 1.

Section 3.09. Death of a Member.

- Single member / Family member w/o spouse – The membership shall be terminated and, if pre-paid, the pro-rata dues for months of membership (including the entire month of the member's death) plus any outstanding charges shall be subtracted from amount paid, with the balance minus any outstanding charges to be refunded to the estate of the deceased member. If the member was utilizing the monthly payment option, the automatic withdrawals shall be discontinued, effective the month following the death. In this case, any outstanding charges will be billed to the estate.

- Family member w/ spouse - The spouse shall be offered the opportunity to resign or modify the membership classification (if applicable). If the Family membership was pre-paid, and the spouse resigns or modifies the classification, the pro-rata difference in dues minus any outstanding charges will be refunded. If the monthly payment option was in effect and a resignation is requested, the monthly payment will be discontinued beginning with the month following the death and any outstanding charges shall be billed to the spouse. If the monthly payment option was in effect and the membership is modified to a Single, the monthly payment will be appropriately reduced and outstanding charges will be billed. If the monthly payment option was in effect and the membership becomes a House, the automatic payments will be discontinued and the spouse will be billed for appropriate pro-rata dues and any outstanding charges.

Section 3.10. Board Discretion. Discretion in the application of this Article by the Board may be warranted due to extenuating circumstances. The Board's actions must be consistent and in the best interest of the Club. A two-thirds majority of voting members present is necessary for such action.

ARTICLE IV

LEAVE of ABSENCE

Section 4.01. Policy. Leaves of absence from the Club may be granted under certain circumstances with Board approval. Approved leaves cancel member privileges, including status as a voting member, and may relieve the member from normal financial obligations for the balance of the fiscal year (see Section 4.04). Approved leaves shall be effective only for the duration of the fiscal year in which the leave is approved. The Board shall determine the number of leaves to be approved in any fiscal year. Persons on leave and their families, if applicable, may only use the Club facilities as guests of another member pursuant to the guest policy, for the duration of the leave.

Leave of absence requests must be submitted to the Board in writing on the appropriate form and may be submitted at any time during the fiscal year. Written requests must include the reason for the leave, and the member shall include the appropriate fees as outlined below. The Board shall establish reasonable criteria for leave approval, and may require verification from the member. This criteria shall include but not be limited to the following:

- health or medical reasons;
- matters of employment;
- relocation.

Section 4.02. Extension of Leave. Members on leave may request an extension by submitting a written request to the Board, along with the appropriate fees as outlined below. Extensions shall normally be granted provided the condition which necessitated the leave still exists. Verification may be required by the Board. Leaves may normally be extended one (1) time for a period not to exceed one (1) year.

Section 4.03. Rescinding of Leaves.

Automatic. At the end of the fiscal year for which a leave was approved, the membership classification formerly held will automatically be reinstated unless: 1) an extension is requested

and approved; 2) the individual on leave properly resigns; or 3) he/she requests and is approved for a conversion of membership. In the case of an approved leave extension, this automatic reinstatement occurs at the end of the extension, except in the case of resignation or conversion.

Voluntary. Members on leave may request their leave be rescinded at any time during the fiscal year by filing the proper form with the Club office. This request must be approved by the Board, and appropriate fees must be paid prior to reinstatement. Members returning from an approved leave shall be billed and liable for the full annual dues plus any fees and/or assessments associated with the membership class they return to.

Section 4.04. Associated Fees. At the time a written leave of absence request is submitted to the Board, the member must include payment of a three-hundred dollar (\$300.00) leave of absence fee. ARTICLE V **RESIGNATIONS**

Section 5.01. Process. Members wishing to resign from the Club in good standing must submit a signed, written request on the appropriate form to the Board. In order to resign from the Club in good standing, the member must have all accounts due and owing the Club or its agents paid in full. Resignation shall terminate all privileges associated with membership. Members resigning in good standing shall be allowed to utilize the facilities of the Club as a guest or a participant in tournaments and/or outings.

Section 5.02. Financial Implications. In order to avoid incurring any financial liabilities for the ensuing fiscal year, members wishing to resign must: 1) not utilize the golf course or facilities (including the bar/restaurant) on or after November 1. This shall include attendance at the Annual Membership Meeting; 2) submit a signed, written request on the appropriate form to the Board no later than November 30; 3) if applicable, properly terminate monthly payment option prior to November 1.

If any of these restrictions are not observed, or if the resignation request is submitted after November 30 but before May 1, the resigning member shall be responsible for a pro-rated payment of annual dues and fees computed from November 1 through the end of the month in which the request was received. This amount is due and owing no later than thirty (30) days after notification. Resignation requests submitted on or after May 1, shall be considered effective at the beginning of the following fiscal year

(November 1), therefore, the resigning member is responsible for the full annual dues associated with his/her membership type no later than thirty (30) days after notification.

If the account of a resigning member is not settled in full by the end of the thirty (30) day period it shall be subject to a late payment fee of fifty dollars (\$50) per month until the balance is paid. In addition, until all balances due are cleared, the resigning member shall not be allowed to utilize OCC facilities (including the golf course) under any circumstances.

Section 5.03. Returning to Membership. Any member who resigns in good standing and wishes to return to the membership type (golfing or non-golfing) held at the time of resignation within the first fifteen (15) months following the resignation shall be considered a reinstatement. Although Board approval shall not be required for reinstatement, a new member application must be submitted and accepted by either the Club President or Membership Committee Chairperson. However, this application does not require a proposer and/or seconders. Initiation fees shall be waived for reinstatements qualifying under this Section, however the reinstatement will be subject to a “reinstatement fee” of two hundred and fifty dollars (\$250). Members being so reinstated shall be responsible for payment of the full annual dues and fees for the classification of membership they hold regardless of the effective date of the reinstatement. Depending on the timing of the reinstatement, various payment options may be available (see Article II, Section 2.03). The reinstatement is not effective until appropriate payments are received and recorded by the Office Manager.

A former member who wishes to return to membership and does not qualify for reinstatement under this Section must file a complete new member application, including signatures from the proposer and seconders. Any debt from the previous membership must be paid prior to being considered eligible to apply. Board approval is required for this type of application and initiation fees shall be charged in the amount specified in these By-Laws at the time of application.

Section 5.04. Board Discretion. Discretion in the application of this Article by the Board may be warranted due to extenuating circumstances. However, the Board's actions must be consistent and in the best interest of the Club. A two-thirds majority of voting members present is necessary for such action.

Section 5. Children. Any child (member or guest) under twelve (12) years of age must be accompanied by an adult in order to utilize clubhouse facilities, unless the activity is associated with a "junior program". Minors (anyone under 18 years of age) are not allowed to sit at the bar. The dress code described above applies to minors.

Section 6. Smoking. Smoking, electronic smoking devices (smoking through inhalation of vapor or aerosol) and tobacco products such as chewing tobacco, snuff, etc., shall not be permitted in any Club facility.

Section 7. Bar & Restaurant Operations.

- A) The restaurant and bar are open primarily for use by the members of the Club and their guests. There may be times, however, when these facilities are used for outside (non-member) functions, as authorized by the Board, and therefore are not available to members.
- B) Proper behavior is expected in the clubhouse facility, including the bar and restaurant areas, at all times. Boisterous or unbecoming conduct by a member, guest or other authorized user shall not be permitted.
- C) Members shall be responsible for the conduct of their guests and will be held liable for any

damage caused by them.

- D) Members, guests or authorized users may be refused service due to intoxication, improper behavior, dress code violations, or other reason the Restaurant Operator or his/her designee feels is adverse to maintaining a proper atmosphere within the clubhouse facility.
- E) The kitchen area is off limits to all members, guests and authorized users of the clubhouse facility with the exception of the Board of Directors, House Committee or as required by the Restaurant Operator or his/her designee.
- F) Complaints regarding restaurant service, billing errors, or quality of product, should be made to the Restaurant Operator or his/her designee who is responsible for managing the staff.

Section 8. Employees. It is unbecoming for any member or guest to abuse, verbally or otherwise, any employee of the Oswego Country Club or its agents. No member or guest shall attempt to discipline any employee. Employees not rendering courteous and prompt service should be reported to the Board of Directors (or the appropriate committee thereof) or Restaurant Operator (or his/her designee).

Section 9. Guests. Members in good standing shall be allowed to bring guests to utilize the clubhouse facilities. Hosting-members are responsible for ensuring their guests are aware of and adhere to all Club rules. All guests must be accompanied by an active member in good standing. Unless all previous indebtedness is cleared or other issues resolved, guests may not be former members who left in bad standing or whose memberships were revoked for cause.

Section 10. Member Events. On a limited basis, the house facilities of the Club may be available for use by the membership for social functions. Prior Board approval is required for these events. Requests must be submitted to the House Committee or Board as far in advance as practicable and will be coordinated with the Restaurant Operator as necessary. Events being requested during the restaurant's normal operating season may be required to utilize their services in order to be approved.

ATTACHMENT III

POOL RULES

Section 1. Authority & Changes. These "Pool Rules" are considered part of the By-Laws of the Oswego Country Club and carry the full authority thereof. They are applicable to the pool, its surrounding area and change facilities. They may be amended, expanded or rescinded by a two-thirds majority vote of the Board at a specially notified meeting. The membership shall be notified of any and all changes.

Section 2. Risks. All persons using any facilities of the Club, including the pool, do so at their own risk. The Club will not be responsible for the loss, theft of, or damage to any property brought upon the Club premises.

Section 3. Pool Hours. The pool is scheduled to open by late June, and will be in operation through Labor Day. Pool hours are from 12:00 noon to 8:00 PM daily, weather permitting.

Section 4. Guests. Guests of members may use the pool only five times in one season. Visiting relatives and/or friends may use the pool during their stay, but only at the discretion of the Pool Committee. All guests must register with the lifeguard. Guest fees for those who have paid green fees for the same day – No Charge; all other guests - \$2.00.

Section 5. Lifeguards. Lifeguards have full responsibility for the pool and have been empowered by the Pool Committee to exercise full disciplinary authority. Should the lifeguards deem it necessary, they have the power to refuse the use of the pool to anyone at any time (i.e. someone with a skin rash; someone who appears to be inebriated, etc.).

Section 6. Rules and Regulations. In the operation of a private swimming pool, there are certain laws of the State of New York, which must be observed by the Club, as a corporation, and by its members. It may appear that some of the following rules are overly restricting, however, the past years have shown that the rules are necessary and are required to avoid the possibility of serious accidents.

All members are requested to be aware of the following rules and regulations and to make certain that their children understand them thoroughly. Such understanding will prevent embarrassing occasions for all concerned, but more importantly, will prevent injuries.

- 1) Children under the age of 10 will not be admitted unless accompanied at all times by a parent or person responsible for their care. The lifeguard has the authority to accept or reject persons left to accompany such children for reasons of age, responsibility or actual conduct. There must be at least one parent or other adult responsible for every three children in this age group.
- 2) Parents or guardians who bring young children to the pool area must be with the children at all times. Under no circumstances are lifeguards to serve as guardians or baby-sitters. This rule will be strictly enforced.
- 3) Children of limited swimming ability are the responsibility of the parent or guardian. Lifeguards have the right at any time to require a demonstration of swimming ability.

- 4) No glassware is allowed in the pool area, including soda bottles, ketchup bottles, etc.
- 5) Please use the trash receptacles. There will be appropriate receptacles for recycling.
- 6) Members with guests must register with the lifeguard upon entering the pool area and pay a fee of \$2.00 per guest at that time.
- 7) Persons in bathing attire should remain in the pool area and not enter any part of the clubhouse.
- 8) No street or golf shoes will be allowed on the pool apron; no clubs or golf balls in the pool area.
- 9) Non-members employed for the purpose of caring for small children may use the pool in the course of their duties, however, only when caring for their charges who are in the pool. Such guardians will be admitted free of charge, but they must report to the lifeguard upon their arrival.
- 10) Persons using the pool must bring their own towels. Children under 18 years of age are not to enter the adult locker rooms at any time. They are allowed to use the dressing rooms at the south end of the locker building.
- 11) State law requires that all bathers in a pool of this type must take a shower on the premises.
- 12) The locker room floors are very slippery. No running or playing in the locker rooms is allowed. Parents and children are also responsible for cleanliness and sanitation in the locker rooms. Anyone found abusing these regulations will be asked to leave the pool area.
- 13) No toys in the pool. Inflatable tubes will be allowed if the pool is not crowded and at the discretion of the lifeguard. Infant inflatable arm supports will be allowed, however, please note that these are not to be used as life jackets or life supports, but are only to be used as swimming aids under supervision.
- 14) Persons having skin eruption or contagious physical defects may not use the pool.
- 15) Dogs are not allowed in the pool area.
- 16) Popping of towels, running, dunking others and similar dangerous actions are prohibited.

Please help us keep the pool area and the locker rooms clean and sanitary. You and your children can have a clean and healthy place to swim if you are aware, and you make your children aware, of the rules and see that they are carried out.

Oswego Country Club Board Policies

Progressive Discipline Policy Oswego Country Club

The procedural steps regarding disciplinary action for violations of the Constitution, By-Laws, and/or established rules of the Oswego Country Club shall be as follows:

First violation reported to the appropriate committee and/or the Board: Written notification recognizing the violation accompanied by a copy of the applicable rule shall be mailed to the offending member's last known address.

Second violation of a particular rule reported to the appropriate committee and/or the Board within a twelve (12) month period: Written reprimand with suspension of privileges as prescribed by the Board shall be mailed to the offending member's last known address.

Third violation of a particular rule reported to the appropriate committee and/or the Board: Revocation of membership without reimbursement of dues or fees.

The Board may start the discipline procedure at any step, depending on the severity of the infraction and/or the pre-meditation or intent with which the violation took place.

Per the Constitution, the Board shall have the power, by a vote of two-thirds of its voting members, to expel any member who shall, in their opinion, be detrimental to the Club. Members who appear to be making a travesty of the system by repeatedly violating rules but not repeating the SAME violation, may fall into this category.

No member shall be expelled without first having been given the opportunity for a hearing before the Board.

Revocation shall terminate all privileges related to membership. Members who have had their membership revoked shall not be allowed to utilize the facilities of the Club at any time, **including as a guest or as a participant in a tournament or outing.** Membership revocation shall necessitate re-application, and payment of full initiation fees to lift these restrictions. A list of revoked memberships shall be maintained in the Pro Shop and Club office.

Suspensions shall become effective within 5 days of notification unless appealed, in writing, prior to the implementation of the suspension.

Policy re: Bad-Standing List Oswego Country Club

The policy, adopted by the Board of Directors on **March 20, 2006**, shall be:

- Members who leave the Club in bad-standing who owe only dues, unused house minimums and/or assessments for the year in which they leave, shall remain in bad-standing for a period of five (5) years after the completion of the year in which the member leaves or until the indebtedness is paid (including accrued interest), whichever comes first. If the indebtedness is not paid by the end of the five (5) year period, all indebtedness shall be forgiven and the name(s) will be removed from the “bad-standing list”.
- Members who leave in bad-standing who owe any monies to the Club in addition to those listed above (i.e. charges at Pro-shop, bar / restaurant, previous year balances, etc.), shall remain in bad-standing until all indebtedness is paid (including accrued interest).
- A former member who left in bad-standing and wishes to become a member, whether in the previous membership classification or a different one, shall be required to satisfy any **remaining** indebtedness before his/her application can be considered (interest on the debt shall only be accrued until the end of the year in which the membership was terminated). For the purpose of calculating initiation fees, these applicants shall not be considered: “... *returning members ... resigned in good standing*” (from By-Laws Section 6.01) and, therefore, would be responsible for payment of the full initiation fee as applicable.

- Open accounts shall be subject to a service charge of 1.5% per month thereafter.
- If any amounts remain unpaid 45 days after the initial billing date, the member's charging privileges will be disabled in the Club's billing system and the member shall be so notified.

- Service charges shall continue to accrue during this suspension of charging privileges.
- Monthly penalty of 3.5% will be assessed to members owing charges after the close of October 31st. Deadline window for payment will be November 30th.
