Each additional golfing child/grandchild under the age of 18 of a primary or social member or grandchild under the age of 18 of a full member	\$200	\$0	\$200

Note: 2023 member credit will be equal to the amount discounted per category. That credit is eligible to be transferred to new member if member wishes. Maximum credit any member can receive is equal to the amount of their dues for that year. For more information, please call 315.343.1941.

The Oswego Country Club is pleased to continue offering new memberships at a discounted rate for the upcoming season through our highly successful New Member Incentive program. This is a great time to "Join the Club!"

Here's How it Works

New members pay the reduced dues amount for the 2023 golf season and each member who successfully recruits a new golfing member will receive the credit listed for the dues amount of the new members classification for the 2024 golfing season or may turn their credit over to the new member for 2024.

Who is Eligible?

All memberships in good standing are eligible to receive credit from this incentive. Individuals who resigned their memberships during the 2019 golf season (2018-2019) or later, are not eligible to receive the "New Member" incentive. Membership credit for the recruiting member for the 2024 season will be issued once the new member's dues are paid in full for the 2023 season.

Applications may be mailed to
610 West 1st Street or emailed to
oswegocoffice@centralny.twcabc.com

Membership Applications can be found at www.oswegocountryclub.com. Select Become a Member > Membership Application.
